Attendees: Adrienne Gilleran, Dan Fesperman, Jessie Towne-Cardenas, Katie Judd, Lauren Barker, Vi Calvo Recorder: Nina Ghatan	

Topic/Issue	Discussion	Action
Announcements	<ul style="list-style-type: none"> Through Healthy Cities, Health Residents funding from the County, there will be workshops for city planners to help community residents move policy forward. Workshops will take place August-September in El Cajon, National City, and Vista. There may be opportunities to discuss ways public health can support cities to apply for community health grants, such as by providing cities with data to support their grant applications. ACE will be promoting “May Movement” on social media; COI will also share. 	<ul style="list-style-type: none"> Promote May Movement on social media.
COI Policy Agenda	<ul style="list-style-type: none"> COI policy agenda will align with the priority strategies of decreasing access to and consumption of sugar-sweetened beverages (SSB) and increasing safe routes to healthy and active places. In April, the Leadership Council agreed to begin a targeted education campaign to decrease SSB consumption. At the May meeting, we will discuss safe routes to school and Vision Zero. 	
Advocacy Forum	<ul style="list-style-type: none"> We have confirmed the Deputy City Manager of Chula Vista’s attendance. We are waiting to hear back from: Arturo, school board members, Sahara, Diane Moss, Mayor Vasquez with Lemon Grove, and Janel with Assemblymember Shirley Weber’s office. We are planning to do live polling to make the event more interactive. 	<ul style="list-style-type: none"> Adrienne ask Deirdre for school board contacts Adrienne connect Jessie w/ Environmental Health Coalition Jessie contact MID City CAAN & City Heights CDC VI connect Dan w/ Vista Principal Jessie/Adrienne contact Vista Community Clinic/ Fernando
Youth Advisory Board	<ul style="list-style-type: none"> It’s been challenging to identify a good project for youth advisors to serve on the Community Domain, so another opportunity may be to develop a separate youth domain. The youth domain could focus on a specific group, after-school program, or student group. Once the youth are identified, we could provide them with education and 	

	<p>technical assistance on advocacy (with support from District Reps).</p> <ul style="list-style-type: none"> • UCSD uses photo voice trainings and my plate to educate youth. • Arboreta Group will be conducting 1-2 youth specific RLAs, community TBD. • A youth train-the-trainer model could also be a strategy. 	
<p>COI Mini-Grants</p>	<ul style="list-style-type: none"> • Round one of the mini-grants will be wrapping up soon. • Projects are supposed to be completed by the end of May and final reports are due early June. • The Biking for Health project is on target, although we are still waiting to confirm dates for the bike rodeos. • Bayside has encountered challenges with the intersection mural since the City of San Diego currently does not have a process in place for these types of projects. • Bayside is working to confirm the design, with community feedback, and then it will have to be submitted to the Arts and Culture Commission for approval. • Once the design is approved, Bayside can apply for the permits. • The RFA for round two of funding will be available in May. We'll send the notice once it is available.
