

San Diego County Childhood Obesity Initiative Healthcare Domain Minutes May 19, 2017

Attendees: Dean Sidelinger, Jamie Condon, Kim Elkins, Sarah Shamasha, and Nina Ghatan (recorder)

- I. Welcome and introductions led by Nina
- II. Preliminary OB/GYN Pre-survey Results
 - a. Nina reviewed the updated preliminary results, based on a total of four surveys.
 - b. The workgroup discussed inviting Dr. LaCoursiere, Dr. Serpas, and Dr. Kelly to the July 21 workgroup meeting to discuss the best ways to reach OBs and to identify ways to support them.
 - i. **Kim** identify a member of the Breastfeeding Coalition to contact Dr. LaCoursiere.
 - ii. **Nina** ask **Cheri** to invite Dr. Kelly, and ask **Dan** to invite Dr. Serpas.
 - iii. If clinicians are unable to attend the July 21 meeting, ask for days and times that are more compatible so we can reschedule.
 - iv. **Kim** send Nina samples of the LA Breastfeeding Taskforce's prenatal education materials.
- III. Breastfeeding Toolkit Scan
 - a. Jamie completed a scan of available breastfeeding toolkits and provided a high level overview.
 - i. Since it was a comprehensive scan, the workgroup felt it would be best to email the documents out for further review prior to identifying next steps.
 - ii. **Nina** send electronic versions of the scan and checklist out to the workgroup.
 - iii. **Dean** contact Shelly to request CPSP breastfeeding toolkit and send to Nina.
- IV. CCIW Update
 - a. Dean provided an overview of the project.
 - b. We are continuing to explore the opportunity to pilot the project at two specialty clinics at Rady Children's (endocrinology and GI) and at Grossmont Pediatrics with Dr. Adigopula.
 - c. REACH funding has been cut, but we hope to still identify a way to implement this project at the Chula Vista Medical Plaza.
- V. Announcements
 - a. Rebecca Alvarez will begin working with domains this summer on strategic planning. Through this process we hope to identify new workplan items and projects.
 - b. On May 21 the UC San Diego Health will be hosting a milk collection event from 9am-1pm at the San Diego Blood Bank. **Kim** send **Nina** the [information](#) to send to the workgroup.
