I. Welcome and introduction led by Dan

II. Domain Workgroup Strategic Planning Part 2 of 2

1. At the July Workgroup meeting we identified four potential priorities/projects to work on over the next few years.
2. Supporting the 2-1-1 Project
3. Understanding primary providers' needs and how we can help
4. Continuing to promote breastfeeding and sustainable food policies in the healthcare setting
5. Providing health resources to other domains

III. Draft Strategic Plan Recommended Updates/ Changes

1. Update objective one to read, "Oversee the pilot launch and evaluation for *the 2-1-1 project in primary care and specialty clinic settings by early 2019*"
2. A potential activity was added, 'Support publication and presentations of *the pilot findings.*'
3. February 2018 was finalized as the date for the second objective.
 - i. Cheri suggested reviewing the PED Survey at the October meeting with a goal of finalizing the survey by November.
4. Potential new activity for objective three was identified as, "Meeting with the Breastfeeding Coalition to help identify ways to further support their work"
5. Dan will work with Prem to determine the percentage increase for objective four.
6. A potential activity was added to the fifth objective, "Compile expertise resource sheet that will be available to share with the other domains.

IV. Domain Logic Model

1. Rebecca reviewed the Healthcare Domain Logic Model and a recommended addition to Short-Term Outcome was determined as, "Improve practices & supports that promote breastfeeding".
2. Rebecca will make the collective changes to the document and send to Nina, Dan, and Lyndsey via email to distribute.
