Topic/Issue	Discussion	Action
Welcome/ Introductions	• Laura Niksch led introductions.	
1. Announcements	• Head Start enrollment is open for next year • Summer Movies in the Park will again feature the 5210 commercial this year (select locations will have the commercial in Spanish) • The County of San Diego Oral Health Programs will hold an Oral Health Forum on June 13 from 8:30-3:30 p.m. at the Marina Village Conference Center in San Diego • South Bay YMCA will be hosting a workshop on oral health for childcare providers in Spanish on June 12 • San Diego Mud Day will take place on June 29th at 10:00 am at Crown Point Park. Kids of all ages can attend this free event to explore playing in nature.	

2. COI Updates	• Camellia provided an overview of the latest childhood obesity data for San Diego County public schools from the 2017-2018 school year
	    a. Over 1 in 3 kids were overweight or obese (34.1%)
	    b. This data indicates little change in recent years and highlights the need to explore addressing root causes of childhood obesity such as housing, poverty, environmental factors, and access to services
	    c. The group discussed next steps for the release of this data
	• The COI is holding a community forum on childhood obesity prevention and the latest data on June 13 from 4-6 p.m. at Olivewood Gardens and Learning Center in National City.
	• 5210, the COI's health messaging, will be on display at the San Diego County Fair in June where kids and families will have a chance to participate in a scavenger hunt to earn free 5210 giveaways! Find out more HERE.
	• SSB legislation updates – 5 bills were introduced in January, but only one, SB 347, is still under consideration
	    a. SB 347 would require health warning labels to be placed on sugary drinks	

3.	**Higher Education Resources**	• The Domain reviewed resources included on the webpage and a letter that will be sent out to participants of the higher education survey. The following additions were recommended for the webpage:
		    ○ Smileca.org
		    ○ USDA – MyPlate
		    ○ Department of Education – CACFP
			• COI team send out website link and copy of letter introducing higher education resources. Access HERE.

4.	**Overview of Head Start and PIR Data**
	
	Laura Niksch
		• Laura provided an overview of data that is publically available through Head Start
		    ○ Reports will go out in August, but a list of the types of data available can be accessed online
		    ○ Data will be available for over 10,000 kids enrolled in Head Start
		    ○ Examples of available data include:
		        ▪ Health insurance status
		        ▪ Disabilities
		        ▪ Homeless status
		        ▪ Dental care access
		        ▪ BMI
		        ▪ Mental health services access
		    ○ This information is available online through the Head Start Early Childhood Learning & Knowledge Center (ECLKC)
			• The document detailing types of available data can be accessed HERE by clicking on the 2018-2019 PIR Form
