Welcome/ Introductions	<ul style="list-style-type: none"> Mary Beth Moran led introductions. 	
1. Action Items Updates	<ul style="list-style-type: none"> Mary Beth connected with David Bond with BlueShield and he unfortunately is not able to make it to future workgroup meetings as a mental health representative. However, he recommended a contact from Chadwick Center at Rady Children's to attend instead. Rady Children's is meeting with Bayside Community Center who was the recipient of the first COI Mini-grant, to assist with post evaluation survey data on the effectiveness of the Montgomery intersection mural. 	<ul style="list-style-type: none"> Camellia connect with county Megan connect with CHIP ILA/RRA & NAMI San Diego Mary Beth follow-up with Chadwick Center Camellia connect with someone to present on ACEs and associations with obesity/chronic diseases at an upcoming Healthcare Domain meeting Mary Beth connect COI staff with individual at UCSD Center for Community Health working on healthy retail
2. COI Updates	<ul style="list-style-type: none"> Camellia provided updates on the other domain workgroup upcoming projects and efforts. The COI staff will continue to do this to help increase the awareness of other current domain work and potentially increase cross-domain collaboration. 	
3. Provider Training Forum Update	<ul style="list-style-type: none"> The training has been solidified for March 20 at 2-1-1 Connections Center from 11-2 p.m. The topic will focus on toddler behavior and baby feeding cues. Jane Heinig will be leading the training. She will be sharing the UC Davis online toddler training videos, training modules and other resources. The workgroup discussed providing a swag bag for attendees including 5210 Healthy Messaging materials and information on where to replenish 5210 supplies. Mary Beth Moran will be presenting an overview of 5210 at the training and Dr. Dean Sidelinger will be introducing Jane Heinig prior to her presentation. The Eventbrite is still being finalized and will be shared with the group to disseminate the link once ready. The flyers are also not complete and are waiting 	<ul style="list-style-type: none"> Megan follow-up with Jane Heinig on time for breaks (e.g., during videos, etc.) and Q&A during her allotted 2 hours COI staff work with HECLW to finalize agenda, flyer and Eventbrite details and share with the Domain COI staff put together sample 5-2-1-0 resource bag for attendees

<p>4. Provider Advisory Council Recruitment Discussion</p>	<ul style="list-style-type: none"> • The PAC recruitment has been on hold due to the planning of the Provider Training Forum. The council will meet for annual discussions to identify resources needed and how the Healthcare Domain can provide TA. • At the Provider Training Forum would be a good time to recruit for the council. • More details are forthcoming. 	
<p>5. 2-1-1 for Healthy Kids Evaluation Results</p>	<ul style="list-style-type: none"> • Preliminary results from the 211 pilot project were given at the Leadership Council meeting. The final results have not yet been released. However, it is known that there was a significant decreases in juice and fruit consumption as well as a decrease in screen time. 56% of all participants included in this program completed the first initial health coaching call, and there was a 20% completion rate overall. More details to follow. 	<ul style="list-style-type: none"> • Camellia follow-up with Kussy about presenting final 2-1-1 for Healthy Kids data to the Domain or COI Leadership Council
<p>6. 5210 Discussion</p>	<ul style="list-style-type: none"> • The workgroup discussed template and ideas of what the 5210 toolkit should be focused on. As this is a work in progress, the COI staff will outline potential items to be included in the toolkit and will discuss at the next workgroup meeting. 	<ul style="list-style-type: none"> • COI staff put together outline for 5-2-1-0 Toolkit • COI staff check with County on who translated 5-2-1-0 materials previously
