Welcome/ Introductions	<ul style="list-style-type: none"> Paige led introductions 	
Announcements	<ul style="list-style-type: none"> The California Foundation for Agriculture in the Classroom recently developed LearnAboutAg Starter Kits for teachers that are new to Ag in the Classroom. <ul style="list-style-type: none"> To order, teachers can sign up here: https://form.jotform.com/91054538422151. Summer Meals Flyers are available from the San Diego Hunger Coalition and the Dairy Council of California. <ul style="list-style-type: none"> If your organization is a Summer Meals sponsor, send Paloma your Summer Meals promotion materials. She will sort them by zip code and send them to the San Diego Hunger Coalition's mailing list for extra promotion. Paloma's email is paloma@sdhunger.org Flyers can be ordered through Heather Berkoben with the Dairy Council of California at HTroska@dairycouncilofca.org The County of San Diego Oral Health Programs will hold an Oral Health Forum on June 13 from 8:30-3:30 p.m. at the Marina Village Conference Center in San Diego. The COI is holding a community forum on childhood obesity prevention and the latest data on June 13 from 4-6 p.m. at Olivewood Gardens and Learning Center in National City. 5210, the COI's health messaging, will be on display at the San Diego County Fair where kids and families will have a chance to participate in a scavenger hunt to earn free 5210 giveaways! Find out more HERE. 	<ul style="list-style-type: none"> Contact Mindy DeRohan at (916) 561-5625 for more information on Ag Starter Kits
Assessing Progress in Wellness Policy Implementation Heather Cruz, CVESD	<ul style="list-style-type: none"> Casey Mackareth, Harder + Co. Community Research and Heather Cruz, Coordinator of Physical Education, Health and Wellness, provided an overview of the assessment of CVESD's wellness policy implementation: 40 of 46 schools completed an online wellness policy implementation survey 33 of 46 schools have a designated site wellness lead Assessed topics for the online survey included: smart snacks (competitive foods), nutrition services, health and physical education, physical activity, policy and environment, and employee wellness. 	For more information contact Heather Cruz HEATHER.CRUZ@cvesd.org

Casey Mackareth, Harder + Co	<ul style="list-style-type: none"> ○ Schools were scored on a scale from 1 to 4 based on whether policy components of these topics were: not in place (1), under development (2), partially in place (3), or fully in place (4). ○ Schools received average scores for each topic based on the components of CVESDs wellness policy and scored the highest for smart snacks (3.27) and nutrition services (3.02) and the lowest on policy and environment (2.57) and employee wellness (2.15). ○ Heather has already begun working with schools to address areas for improvement. ● 10 schools also participated in an observational assessment that covered child nutrition and physical activity: <ul style="list-style-type: none"> ○ All participating schools offered time for physical activity and healthy foods, but were given recommendations to improve access to water and quality of play equipment. 	
Coastal Roots Farm Sharone Oren, Education Manager	<ul style="list-style-type: none"> ● Coastal Roots Farm in Encinitas offer a new field trip program for students to get hands-on experience learning about how food is grown, food literacy, food justice, and more. <ul style="list-style-type: none"> ○ Some of the programming is based on Jewish values, but this content does not have to be included and schools can make requests to adapt the program to their needs ○ Scholarships are available for low-income, Title-I, and Title-V schools to help pay for the visit fees and transportation costs 	For more information contact sharone@coastalrootsfarm.org .
Table Topics	<ul style="list-style-type: none"> ● The final table topic selections were made and round table discussions based on these topics will start in August.
