SDUSD Physical Education Program Enhancement

Deirdre Kleske:

1. Three-year contract between HHSA and SDUSD to enhance Physical Education (2019-2022), funded through USDA SNAP-Ed (CalFresh Healthy Living) through CA Dept of Public Health
2. Builds upon previous HHSA contract to fund a farm to school specialist in the food and nutrition services dept. SDUSD chosen specifically due to district's commitment to physical education and large number of students that can benefit.

Stacey Seiders:

3. Goals are to increase effective delivery of standards-based PE to 48k students in SNAP-eligible elementary and secondary schools in SDUSD.
4. Objectives:
 - a. Recruit and train a minimum of 6 cluster physical education coordinators (CPECs) to participate in train-the-trainer standards based on PE capacity building to prepare them to provide technical assistance to school site staff in SNAP eligible elementary and second schools in SDUSD to more effectively deliver the PE program.
 - b. Provide training and technical assistance to school site staff to establish the IMPACT (Increasing Movement and Physical Activity Class Time) PE program and improve the PE instruction at a min of 20 SNAP-Ed eligible elementary and secondary schools for a total of 60 schools during contract period.
 - c. In middle of year two 41 schools are participating (elementary and secondary)

Becky Paradise:

5. Nutrition Education program: 3 schools are participating in a nutrition education program (Balboa ES, Chollas Mead ES, & Linda Vista ES)
6. Increasing moderate-to-vigorous PA (MVPA) through use of HR monitor.
7. PE meetings: physical education teachers across the district are now
